Steve/Marty,

Has someone provided Toerek the mine claim data? I have not been in the loop on this but will be happy to provide the data if I know who the recipient is.

The zip file was removed from EPA system. It needs to be "piz" and I rename it. For practical matters, please send the GIS file to Marty and John Wieber. They need to get it Toereck also.

The PDF image will work for me.

Thanks

Hi John,

Can you please provide everyone in this email chain your ArcGIS shape file and the PDF you provided me of the mining claims in the vicinity of Gladstone to Red and Bonita.

Thanks,
